

THE OPTIONS CLEARING CORPORATION COMPENSATION AND PERFORMANCE COMMITTEE CHARTER

I. Purpose

The Board of Directors (the “Board”) of The Options Clearing Corporation (“OCC”) has established a Compensation and Performance Committee (the “Committee”) to assist the Board in overseeing general business, regulatory capital, investment, corporate planning, compensation and human capital risks as well as executive management succession planning and performance assessment, including recommending to the Board for approval the annual compensation awards of any Executive Chairman and the Chief Executive Officer and Chief Operating Officer. The purpose of the Committee is also to advise management regarding these aspects of OCC’s operation.

In fulfilling its responsibilities, the Committee shall prioritize the safety and efficiency of OCC, generally support the stability of the broader financial system and consider the legitimate interests of Clearing Members, customers of Clearing Members and other relevant stakeholders taking into account prudent risk management standards (including systemic risk mitigation) and industry best practices.

II. Membership and Organization

- A. **Composition.** The Committee shall be comprised of the Chairman, the Member Vice Chairman, and three or more other directors appointed each calendar year by the Board. Committee members will be selected by the Board from among the directors recommended by the then-constituted Governance and Nominating Committee after consultation with the Chairman and shall serve at the pleasure of the Board. At least a majority of the Committee shall be composed of directors who are independent directors, consistent with Securities and Exchange Commission Rule 17Ad-25(e) and the judgment of the Board. The Board may remove or replace any member of the Committee at any time. The Chair of the Committee shall be a Public Director. Unless a Chair is elected by the full Board, the members of the Committee shall designate a Chair by majority vote of the full Committee membership. In the absence of the Chair at any meeting of the Committee, those members of the Committee present shall designate a Committee member to serve as Acting Chair.

In the event of a vacancy on the Committee, the Committee will continue to undertake its responsibilities, so long as the remaining Committee members are capable of satisfying the quorum requirement.

- B. **Meetings.** The Committee shall meet at least four times a year. Other meetings may be called by the Chair as circumstances dictate. The Committee Chair or its designee, in consultation with management, as well as the Corporate Secretary, shall establish the agenda for Committee meetings. The members of the Committee may ask members of management or others to attend the meeting and provide pertinent

information as necessary. The Committee may call executive sessions from which members of management and invited guests may be excluded.

Individual Committee members also may be excluded from executive sessions or portions thereof at which the discussion involves a matter as to which that member has an actual or potential conflict of interest. The Committee will meet in executive session at each regular Committee meeting and will determine who will participate in such session. The Committee Chair or Acting Chair, as applicable, will serve as chair of the executive session. Members of the Committee may participate in meetings by means of a conference telephone call or other means of communication that allows all participants in the meeting to hear each other. However, as provided in the Code of Conduct for OCC Directors, attendance by telephone or videoconference for meetings that are scheduled for in-person attendance is discouraged.

The Committee shall meet at least once each calendar year with the Chief Executive Officer, any Executive Chairman, and any other OCC officers the Committee deems appropriate, to discuss and review the performance and compensation awards of members of the Management Committee. Except as otherwise requested by the other members of the Committee, the Chief Executive Officer and any Executive Chairman shall recuse themselves from any discussion of their individual compensation, benefits, or perquisites.

- C. **Quorum**. A majority of the Committee members shall constitute a quorum for the transaction of business.
- D. **Minutes and Reports**. The Committee shall maintain minutes of all Committee meetings. The Chair or Acting Chair, as applicable, shall determine whether separate minutes of executive sessions are to be recorded as well as determine the level of detail to be included in such minutes, taking into consideration the sensitivity of the matters to be discussed and the possibility that candor might be limited if detailed minutes are recorded. It is expected that meeting minutes will reflect that an executive session was convened and broadly describe the topic(s) discussed. Minutes of Committee meetings shall be circulated to the Board.

The Committee shall make such reports to the Board as deemed necessary or advisable. The Committee Chair is responsible for ensuring that important issues discussed at the Committee meetings are reported timely to the full Board. Each calendar year, the Committee shall provide a report to the Board summarizing its activities during the previous year.

III. Authority

- A. **Scope**. Subject to the direction of the Board, the Committee is authorized to act on behalf of the Board with respect to any matter necessary or

appropriate to the accomplishment of the purpose and responsibilities set forth in this Charter. In discharging its role, the Committee may inquire into any matter it considers appropriate to carry out its purpose and responsibilities, with access to all books, records, facilities and personnel of OCC. The Committee shall confer with management and other employees of OCC to the extent it may deem necessary or appropriate to fulfill its duties. Where the Committee is authorized to approve reports or proposals provided to it by management, the Committee may or may not approve such matters in its business judgment. If the Committee does not approve such a report or proposal, it shall report to management that it has not approved such matter and may provide direction as to revisions or alternative courses of action as appropriate. The Committee shall report to the Board in the event that it does not approve a report or proposal provided to it by management, including the reasons for non-approval.

The Committee shall have the authority to hire specialists or rely upon other outside advisors or specialists to assist it in carrying out its activities. The Committee also shall have the authority to approve the fees and retention terms applicable to such advisors and specialists. The Committee's annual report to the Board will reference any engagement of specialists or outside advisors, including any fees and expenses associated therewith.

Delegation. The Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Committee, the Administrative Committee, and to one or more designated officers. The Committee may refer a risk under its oversight to another committee or the Board as advisable or appropriate. However, in all instances, the Committee retains the obligation to oversee such delegated or referred activity and to assure itself that delegation and reliance on the work of such delegates is reasonable.
